1. **What have I accomplished since the last Daily Standup?**

I have researched and studied the Prometheus application on Windows. I tried to extract log metrics and translate to realtime data, as well as trying to extract to .csv file for further data analysis.

2. **What will I accomplish until the next Daily Standup?**
Discuss with my team about Prometheus.
3. **Do I anticipate any obstacles and can the team help me with them?**
No.
4. **References**
